

PURCHASE ORDER – STANDARD TERMS AND CONDITIONS

1. **ACCEPTANCE:** Purchase Orders must be accepted in writing by SELLER. If for any reason SELLER should fail to accept in writing, any conduct by SELLER which recognizes the existence of a contract pertaining to the subject matter hereof shall constitute acceptance by SELLER of this Contract ("Contract"), including all of its terms and conditions ("Terms"). Any terms and conditions proposed in SELLER's acceptance of BUYER's Purchase Order which add to, vary from or conflict with the Terms herein are hereby objected to and rejected. Any such proposed terms and conditions shall be void and the Terms herein shall constitute the complete and exclusive statement of the terms and conditions of the Contract between the parties and may hereafter be modified only by written instrument executed by the authorized representatives of both parties. If this Contract has been issued by BUYER in response to an offer, and if any Terms herein are additional to or different from any terms or conditions of such offer, then the issuance of this Contract by BUYER shall constitute an acceptance of such offer subject to the express condition that the SELLER assent to such additional and different Terms herein and acknowledge that this Contract constitutes the entire agreement between BUYER and SELLER with respect to the subject matter hereof and the subject matter of such offer; and SELLER shall be deemed to have assented and acknowledged unless SELLER notifies BUYER to the contrary in writing within ten (10) days of receipt of this Contract.

2. **PRICES: TERMS OF PAYMENT:** The prices and terms stated on the Purchase Order and stated herein apply to all shipments made or services rendered hereunder. BUYER shall have no obligation to honor invoices for goods or services at any increased price unless such increase shall have been confirmed in writing by the BUYER to SELLER. No charges of any kind not stated on the Purchase Order will be allowed unless specifically agreed to in advance by BUYER in writing, but damage to any goods because of packing which fails to protect such goods will be charged to SELLER. All payments are made conditional upon acceptance by BUYER of the goods or services called for under this Contract and shall be subject to adjustment for failure of SELLER to meet the requirements of this Contract.

3. **PAYMENT TERMS:** Unless otherwise stated above, purchases will be paid net 30 days after acceptance and approval of BUYER that SELLER has completed the delivery and/or performance meeting the Purchase Order Specifications.

4. **TAXES:** SELLER's prices shall be exclusive of all Federal, State or Local Sales, Use or Excise taxes levied upon, or measured by, the sale, the sales price, or use of goods required in the performance of this Contract. SELLER shall list separately on its invoice any such tax lawfully applicable to any such goods, and payable by BUYER, with respect to which BUYER does not furnish to SELLER lawful evidence of exemption.

5. **DELIVERY:** The terms of delivery are stated on the Purchase Order. The obligation of SELLER to meet the delivery dates, specifications, and quantities, as set forth, is the essence of this Contract. Deliveries are to be made both in the quantities and at the times specified herein, or if no such quantities or times are specified, pursuant to BUYER's written instruction. Shipments in greater or lesser quantity than ordered may be returned at SELLER's expense, unless written authorization is issued by BUYER. If SELLER's deliveries fail to meet schedule, BUYER, without limiting its other rights or remedies, may either direct expedited routing and charge excess cost incurred thereby to SELLER or cancel all or part of this order in accordance with the default provisions hereof.

Goods which are delivered in advance of schedule are delivered at the risk of SELLER and may, at BUYER's option, be returned at SELLER's expense for proper delivery and/or have payment therefor withheld by BUYER until the date that the goods are actually scheduled for delivery.

SELLER will comply with BUYER's billing and routing instructions, and SELLER shall pay any redelivery or rerouting expense incurred by BUYER as a result of improperly marked or improperly routed goods.

6. **DELAY FOR NONPERFORMANCE:** BUYER may delay delivery and/or acceptance by causes or events beyond BUYER's control. SELLER shall hold such goods at the direction of BUYER and shall deliver them when BUYER notifies SELLER that the cause or event affecting the delay has been removed. BUYER shall be responsible only for SELLER's direct additional costs resulting from holding goods or delaying performance of this Contract at BUYER's request. In the event that causes or events beyond SELLER's reasonable control and without its fault or negligence, including but not limited to labor disputes of any kind, prevent SELLER from performing its obligations hereunder, such obligations shall be suspended, subject to the conditions that time is the essence of this Contract and should SELLER fail to comply with BUYER's delivery schedule, or otherwise fail to comply with its obligations hereunder, BUYER may, while such excusable delay is pending, obtain alternative supply or services from another supplier or terminate this Contract without liability hereunder. If SELLER provides BUYER a rebate for purchases of product supplied hereunder in excess of threshold volumes, any volumes of alternative product purchased by BUYER pursuant to the foregoing sentence shall be applicable to determining whether such threshold volume has been met by BUYER. If SELLER is unable for any reason to supply BUYER's total demands for material hereunder, SELLER must distribute its available supply to BUYER on a percentage basis that is no less favorable than is provided to any other purchaser or internal user of SELLER's product. If the failure to perform is caused by the default of a subcontractor and if such default arises out of causes beyond the control of both the SELLER and the subcontractor and without the fault or negligence of either of them, SELLER shall not be liable for any delay or failure to perform unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit SELLER to meet the required delivery schedule.

SELLER failing to meet the delivery and/or performance date or terms of the purchase will be subject to pay the BUYER for the cost of damages as a result of the delay. Unless otherwise determined by BUYER, the following payment penalties will apply: 1% for 1 to 7 days/2% 8 to 14 days. Any date beyond 14 days will be cause for cancellation of order.

7. **INSPECTION:** All goods provided hereunder shall be subject to inspection and testing at the point of destination, notwithstanding prior payment therefor by the BUYER. If, in BUYER's judgment, any of the goods are defective or otherwise not in conformity with the requirements of this Contract, BUYER, in additions to its other rights, may (i) reject the same for full credit, (ii) retain the same and remedy any defects or nonconformity at SELLER's expense, or (iii) require prompt correction or replacement of the same by SELLER or BUYER's designee at SELLER's expense. Any goods rejected by BUYER shall be at SELLER's risk and expense and shall not thereafter be tendered by SELLER for acceptance without BUYER's written consent. The packing, handling and transportation costs, charges and expenses incident to BUYER's exercise of its rights hereunder will be charged to SELLER's account. Nothing herein shall release SELLER from the obligation to make full and adequate testing and inspection of goods sold to BUYER hereunder.

8. **WARRANTY:** SELLER expressly warrants that all goods and services ordered, or provided hereunder, will conform in all respects to the specification, drawings, samples and other descriptions upon which this Contract is based, and will be merchantable and free from any defects in material, design or workmanship. If BUYER has furnished performance requirements for the goods purchased hereunder, SELLER further warrants that such goods shall be fit and sufficient for the purposes for which BUYER intends them. SELLER also warrants that the goods provided for under this Contract shall be free and clear of any lien or other adverse claim against title. In addition to any other remedies BUYER may have, BUYER may reject goods not conforming to the foregoing warranties, whether or not such goods shall have been previously accepted by BUYER or any prior payments shall have been made thereon. SELLER further warrants that no law, rule, regulation, ordinance or Executive Order of the United States, a state or local government, or any other government or any other governmental agency has been violated in the manufacture, transportation, delivery or sale of the goods or the performance of the services covered by this Contract. SELLER agrees that the foregoing warranties shall survive delivery, acceptance, inspection, test, use of, and payment for, the goods, materials or services provided hereunder and shall inure to the benefit of BUYER and its customers.

SELLER further warrants that the goods specified herein and their sale or use alone, or in combination according to SELLER's specifications or recommendations will not violate the trade secret of any party. In case the goods constitute patent, copyright or trademark infringement, or violate an unfair competition right and their use is enjoined, BUYER may, at its sole option, pursue any remedy or remedies available at law or in equity, including, without limitation, requiring SELLER to either procure for BUYER the right to continue using such goods, modify them so they become non-infringing or remove them and refund the total purchase price thereof.

10. PATENT LICENSE: SELLER, as part consideration for this Contract and without further cost to BUYER, hereby grants and agrees to grant to BUYER an irrevocable, non-exclusive, royalty-free right and license to use, sell, manufacture and cause to be manufactured products embodying any and all inventions and discoveries made, conceived or actually reduced to practice in connection with SELLER's performance of this Contract, and SELLER hereby grants to BUYER a license to repair, rebuild, or relocate and have repaired, rebuilt or relocated the goods purchased by BUYER under this Contract. 11. INDEMNIFICATION: SELLER shall defend and indemnify BUYER from and against all damages, liabilities, claims, losses, judgments, settlements and expenses (including, without limitation, attorneys' fees) arising out of, or in any way related to, (i) this Contract or performance hereunder, (ii) any defect in the goods or services purchased hereunder, (iii) the breach of any obligation or warranty hereunder, (iv) any actual or alleged infringements of any patent, trademark, copyright, mask work, trade secret, or any unfair competition right, in the goods purchased hereunder, (v) any act or omission of SELLER, its agents, employees or subcontractors, (vi) the delivery, condition, use or operation of the goods or services purchased hereunder, whether such goods are in the same mode as when delivered hereunder or whether they have been used in the manufacture of, and become part of, equipment, machinery or goods sold by BUYER to third parties and SELLER agrees to, and will assume on behalf of BUYER, upon its demand (without regard to the real or apparent merits of said action), the defense of any court or agency action which may be brought against BUYER.

12. ASSIGNMENTS: No right or obligation under this Contract, including the right to receive monies due or to become due hereunder, shall be assigned by SELLER without the prior written consent of BUYER, and any purported assignment without such consent shall be void. SELLER shall not subcontract or in any other manner delegate to any other party the performance of any work or the supplying of any services under this Contract without the prior written approval of BUYER.

13. SUBSTITUTIONS; EXTRAS: No substitution of materials or accessories may be made without BUYER's written consent. No charges for extras will be allowed unless such extras have been ordered in writing by BUYER and the price agreed upon.

14. PERFORMANCE OF WORK. If this order calls for work to be performed by SELLER, all work performed and all materials used in connection therewith shall be at the risk and expenses of and shall be replaced by SELLER in the event of any damage or destruction thereof prior to, delivery to, and acceptance by, BUYER.
